

14th Edition - From Aug. 14 2011 to Dec. 5, 2011

- ◆ Added info on rally to El Salvador
- ◆ Corrected problem with page numbers not appearing on all sections of the book
- ◆ Fixed typos and added more explanations where the text was too brief.
- ◆ Updated information on Barrillas
- ◆ Removed Port Overview page as it wasn't very helpful and the data was lost during revision 13
- ◆ Fixed problem with some embedded fonts due to Adobe bug.
- ◆ Updated Puerto Chiapas, Mexico marina information.

13th Edition - From Feb. 14, 2011 to Aug. 14 2011

- ◆ Updated and added more weather information
- ◆ Updated currency exchange rates.
- ◆ Updated information on Puerto Chiapas (a.k.a Puerto Madero) in many areas of the book. Including a diagram of the new marina and their services opening October.
- ◆ Updated information on Guatemala and prices.
- ◆ Added information about hauling your boat from one ocean to the other overland in Guatemala.
- ◆ Updated El Salvador information and prices.
- ◆ Updated parts of Nicaragua and prices.
- ◆ Added anchorage to Puerto Corinto and dinghy landing waypoint to Corinto. Also added more information about Marina Corinto.
- ◆ Updated Honduras Information
- ◆ Modified cover again.
- ◆ Updated html links

12th Edition - From July 1, 2010 to Feb. 14, 2011

- ◆ Moved Corinto waypoint to the south and away from the power plant based on discussions with Ivan about the harbor after he surveyed the site in his boat.
- ◆ Fixed spot forecast waypoint for the Tehuantepec
- ◆ Added Solmate Santiago weather information for Tpec and Gap Winds (just the basics are here but in the next revision there will be more information on how to use his forecasts and understand what they mean).

11th Edition - From February 1, 2010 to July 1, 2010

- ◆ Corrected typos
- ◆ Updated Exchange rates
- ◆ Updated SSB/HAM nets (again)
- ◆ Updated Puerto Quetzal, Guatemala with more accurate pricing, agents, surfing and shopping.
- ◆ Added Import Permit Charge for El Salvador.

- ◆ Added about 4 pages about Puerto Chiapas (Puerto Madero), Mexico to dispel rumors and provide accurate waypoints. Who knew there are fantastic grocery stores in the nearby city of Tapachula? Now you know too.
- ◆ Added more surf spots in Guatemala, El Salvador and Nicaragua based on meeting and talking with other surfers (traveling by land).

10th Edition Changes from June 25, 2009 to February 1, 2010

- Corrected few typos
- Updated Officialdom information on CA-4 visas.
- Updated Exchange rates
- Added information about Lonely Planet's e-book program
- Re-organized Tehuantepec strategy
- Added additional Tehuantepec information
- Added additional gap wind information
- Added "clearing out of Mexico" section as things keep evolving.
- Updated all four countries overview information.
- Removed anchorage list from southern Mexico because Mexico is outside the coverage of the guide book, and the other Central American anchorages are already listed in the book.
- Due to the permanent failure of the QSAT satellite system in Nov. 2009, the weather links for information from these satellites was removed.
- Updated Quetzal, Guatemala
- Updated Acajutla, El Salvador with dinghy landing and other bits of info.
- Added new city map of Zacatecoluca to Bahia del Sol section.
- Updated Barillas, El Salvador with prices, services and more approach info and new contact info.
- Updated Corinto information including info on the work-in-progress Marina Corinto.
- Added new city maps for Corinto, Chinandega
- Updated El Asterillo anchorage, added notes about southern reef, updated satellite image
- Fixed wrong satellite image of Pie del Gigante, the image was obviously in the wrong place and even labeled Masachapa since Edition 8...doesn't anyone notice these things or is it a silent conspiracy?
- Added city map of San Juan del Sur, updated SJdS info. Removed Dr. Jim as a vet as he left SJdS last year.
- Updated Vendor List

9th Edition Changes from January 25, 2009 to June 25, 2009
